Dear General Cushman:

As mentioned during our BONUS STRIKE conference at Ramey Air Force Base last December, we plan to publish a volume entitled "Compilation of Speaker Presentations - BONUS STRIKE 69" in the near future. We have already received many requests for such a publication and hope to distribute it to the Departments of Defense and State, the Joint Staff, the four Services, the Unified and Specified Commands, and appropriate National Agencies.

Your excellent presentation, which was tape-recorded and has now been transcribed, is attached. It would be appreciated if you would review and edit the attached script and return it at your earliest convenience.

May I add my appreciation to that of General Throckmorton for your substantial contribution to the success of the conference. It was a pleasure to have had you with us.

Sincerely,
